

## Use of an Emergency Accommodation on a BIE Assessment

**Directions:** This form is appropriate in cases where a student needs a new accommodation immediately prior to the assessment due to unforeseen circumstances. Cases could include students who have a recently-fractured limb (e.g., fingers, hand, arm, wrist, or shoulder); whose only pair of eyeglasses has broken; or a student returning from a serious or prolonged illness or injury. If the principal (or designee) determines that a student requires an emergency accommodation on the day of the test, this form must be completed and maintained in the student's assessment file. **The parent must be notified that an emergency accommodation was provided.** Refer to the *Test Coordinator Manual* for state-specific requirements for approving emergency accommodations. **Consult with your local district office for approval if required by your state.** If appropriate, this form may also be submitted to the district assessment coordinator to be retained in the student's central office file.
